Thank You

by: The UC Vocaholics Executive Board

The UC Vocaholics Executive Board wants to say thank you to everyone who auditioned. You were all amazingly talented and made our jobs very difficult and stressful the past few days (but in the best way possible). If you have any questions about your results we would be happy to discuss them with you. Please send us an email at ucincy.acappella@gmail.com with any questions. Additionally, if you want to continue your passion for music we can help direct you to other possible groups on UC's campus to join. We hold auditions every year so do not let this year discourage you from re-auditioning in the future. We had so many talented people audition that it would be a shame to never hear your beautiful voices again.

A Note from our Director

"To everyone who auditioned,

I want to thank each and every one of you who auditioned for the group. I know firsthand what it feels like to put every ounce of your hard work into something, all for someone to tell you if that's what they need or not... It's the nature of art. It's harsh, it's grueling but it's beautiful. The singers that I saw and witnessed; without exception were some of the most talented individuals I've ever seen and heard sing in front of me. I know what kind of person it takes to step in front of unfamiliar faces, perform, expose your emotion and voice, and wait for a response completely out of your hands. It takes hard work, determination, and courage to do such a thing. So I have one request to all auditionees.

A Note from our Director, Cont.

Whether you sing with us or not, hold on to that determination -- use it to grow, create and change the world around you for the better. It's people like the ones who auditioned who have a voice, and with that voice is the power and the responsibility to make the Earth a better place on their own accord. We encourage you to keep in touch with us as we move through the season, we encourage you to make your own groups and organizations to become even greater leaders and thinkers.

Thank you again to everyone who auditioned.

Sincerely,

Anthony Scoburgh
Director of the UC Vocaolics"
